

EUPHA2016 Conference Newsletter No. 1

May 6th 2016

Dear participants,

Welcome to Conference Newsletter Number One!

We are pleased to announce that a detailed session program is now published on the EUPHA web pages.

Please check the programme

We have now posted detailed session programmes. These are preliminary versions and will be continuously updated.

We kindly ask authors to check for errors as soon as possible:

Social events

Remember to sign up for social events!

For those of you who arrive the day before the conference, the boat trip on the Oslo Fjord is a great idea. On Thursday evening, The Mayor of Oslo invites all participants to an official reception in City Hall. And don't forget the Friday night conference dinner!

Online registration

We are very happy that the number of registered participants is steadily increasing. Online registration is open until June 15th. Read more:

<http://eupha-migranthealthconference.com/registration/fees/>

Preparing your presentation and poster

We have posted tips and instructions for oral and poster presenters.

Information on how to send your presentation files will follow in a later Newsletter.

And, some great news: Courtesy of the Norwegian Medical Association, we are offering two poster prizes!
