

EUPHA2016 Conference Newsletter No. 5

July 4, 2016

Message from The Chair

The EUPHA Section for Migrant and Ethnic Minority Health and The Norwegian Center for Minority Health Research (NAKMI) would like to thank you for your participation and contribution to the 6th Conference on Migrant and Ethnic Minority Health 23-25th June 2016 in Oslo.

Your participation at the conference further enabled the discussion and debate on bridging and filling the Equity Gap in health care.

As organizers of this conference we call upon the people of Europe to reject the politics of hatred and exaggerated fear, to recognize our shared humanity and celebrate the work of those, within the refugee community and beyond it, who have done so much to alleviate suffering and promote the health and wellbeing of migrants and newcomers.

We thank you for joining us in making this a successful endeavor.

- Bernadette Kumar, Conference Chair
